

Systempak 2023 Product Catalogue

Our 2023 Product Catalogue

ABOUT SYSTEMPAK

At **SystemPak™**, we specialise in the manufacture, import and distribution of food containers. We currently stock over 150 different items and our product range is ever expanding. Some of our key product lines are tamper evident containers, top seal, food containers and take away containers.

With the emphasis on sustainability and protecting our planets future. Although we do not currently stock any biodegradable packaging, we are proud to say all of our products are 100% recyclable and we are looking into providing biodegradable packaging in the future, to complement our existing product range.

Head office is based in Holt near the historic city of Bath, enjoying the rolling countryside of South West England. Our distribution warehouse is based in Kent close to many Southern ports of entry. SystemPak is one of the lead suppliers of **Tamper Evident Proof Containers** in the United Kingdom. We believe that by focusing on providing a high level of commitment to you our customer, this in turn improves your experience, satisfaction and journey with us that leads to excellent results and repeat business.

Systempak's knowledgeable dedicated UK team are on hand to assist you with your product requirements and any queries you may have to delivery top quality results every time.

WHAT CAN YOU EXPECT FROM SYSTEMPAK?

- **Quality Assurance** - All our products are manufactured according to [FSA](#) standards and comply with all the relevant regulations.
- **BRCGS (formerly BRC) Certified Products** - All our products meet the requirements set out to ensure they achieve the [BRCGS Food Safety Certification](#).
- **Industry Leading Pricing** - Offering competitive and industry lead prices to suit both small and large business alike.
- **Knowledgeable Staff** - Our dedicated and committed team pride themselves on their product knowledge offering you 100% impartial support to ensure you have the right product for your needs.
- **Complete Assistance** - We will be on hand to help and guide you through and beyond the order process, offering assistance, support and guidance at every step when required.
- **Customer Aftercare Experience** - Once you have placed the order, we can offer an after-care service when we will be happy to contact you at a later date to discuss if the products met your requirements and discuss your next order.
- **Next Working Day Delivery** - Subject to the qualifying criteria being met, please see our [Delivery and Shipping](#) page for further information,
- **Product Returns** - Not happy with your product? Please let us know within 72 hours of your order being delivered, your intention returning your purchase. Send us an email with the product name and consignment note number of the order and we will be happy to arrange this for you.
- **100% Recyclable Products** - All of our products are 100% recyclable.

Our 2023 Product Catalogue

WHAT CAN YOU EXPECT FROM SYSTEMPAK?

TAMPER PROOF PRODUCTS

Most of our products are tamper proof, airtight ensuring that your goods are protected from leakage or spillage until they reach their desired destination.

FREEZER PROOF PRODUCTS

Most of our products are freezer proof and can be stored as low as -19°c , making them perfect for use for storing foods such as ice cream.

We can also offer 'specialised' products that will withstand temperatures as low as -32°c .

HOT FILL SUITABLE

Many of our products are suitable to be hot filled up to 85°c making them ideal for ready meals and soups and can be sterilised up to 120°c .

Our 2023 Product Catalogue

WHAT CAN YOU EXPECT FROM SYSTEMPAK?

MICROWAVE SAFE PRODUCTS

Most of our products are suitable for use in the microwave, making them ideal for using as ready meal containers.

100% RECYCLABLE PRODUCTS

All of our products are 100% recyclable making them a great alternative to single use plastics and better for the environment.

PLEASE NOTE:- Not all of our containers are freezer proof or microwave safe. If you have any specific queries in regards to which products are FP (freezer proof) or MS (microwave safe) please contact Systempak direct who can advise you accordingly.
